Large Format Printing & Branding Specialists

A Hekami Investment Proprietary Limited Company

# Print Big. Brand Bold. Dominate Visibility.

Hekami Print is Namibia's leading large-format printing and branding company, delivering high-impact visual solutions that transform brands into powerful, visible market leaders.

## About Hekami Print

Hekami Print is a specialised large-format print and branding company focused on delivering premium visual communication solutions for businesses, government institutions, and large-scale campaigns.

Powered by advanced UV wide-format printing technology, we produce high-resolution, durable, and visually striking outputs designed to perform in demanding environments, both indoor and outdoor.

We do not just print.

**We engineer visibility, scale brand presence, and deliver impact.**

## Our Core Positioning

**Large Format Printing. Branding. Visibility Engineering.**

At Hekami Print, our core business is clear and focused:

### Large Format Printing

Precision, scale, and visual dominance

### Branding Solutions

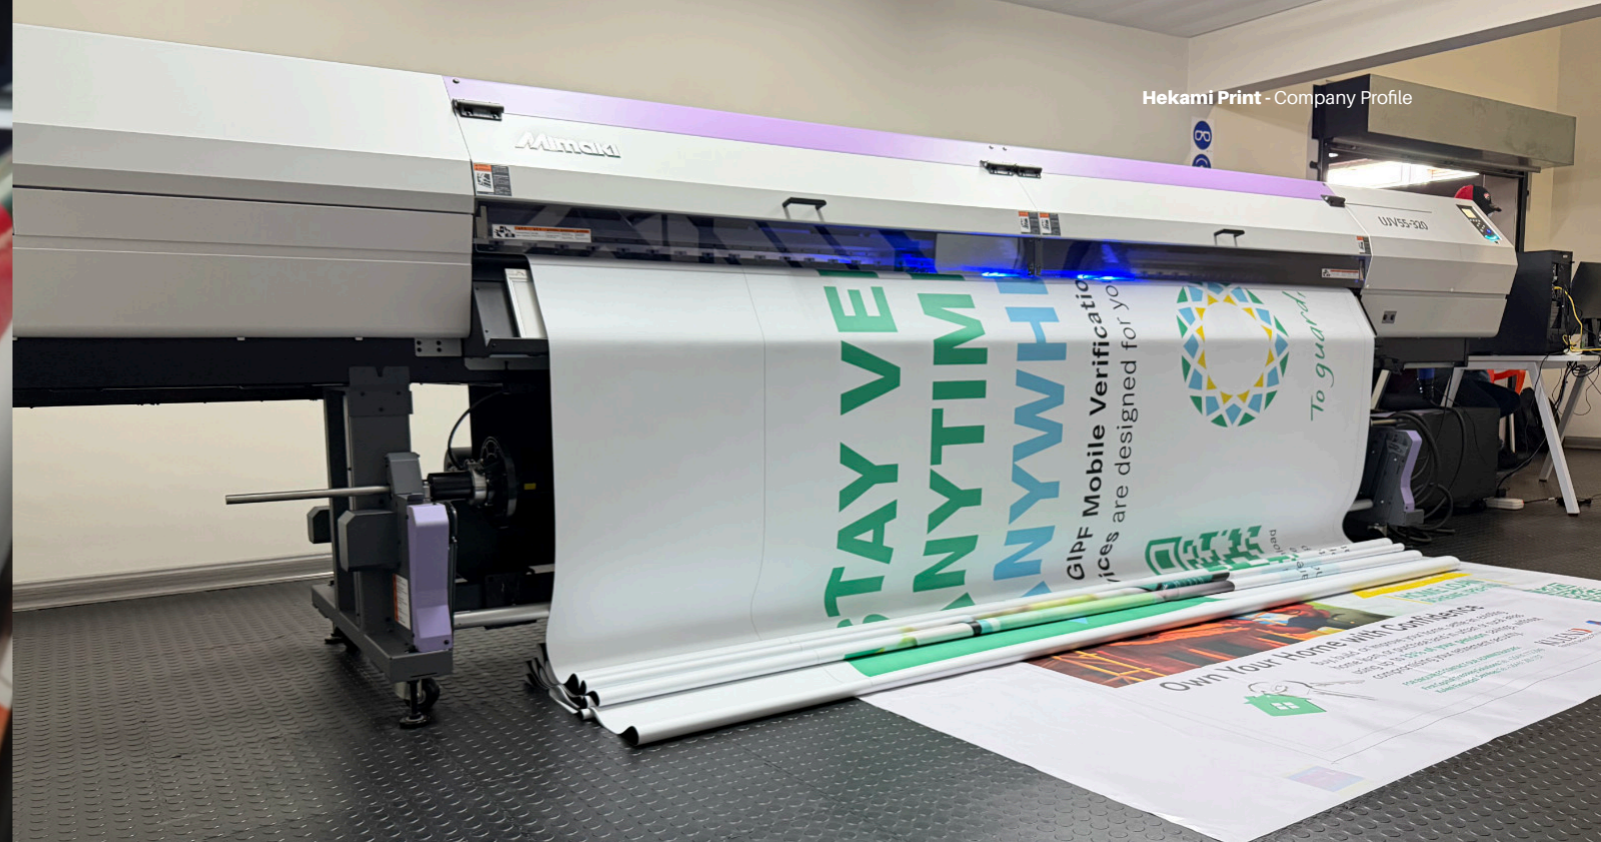

Transforming spaces, assets, and environments

### High-Impact Visual Communication

Designed to capture attention and influence behaviour

**We enable brands to own space, command attention, and communicate with authority.**

# Our Technology Advantage

## UV Wide-Format Printing – Built for Performance

Our production is powered by advanced UV printing technology, delivering:

- High-resolution, photo-quality output
- Instant curing (no drying time)
- Scratch-resistant and weather-resistant finishes
- Exceptional colour vibrancy and consistency
- Long-lasting durability for outdoor applications

This ensures every print is:  
**Production-ready. Campaign-ready. Market-ready.**

# Our Services

## 1. Large Format Printing

We produce high-impact, large-scale print materials designed to stand out in any environment.

From roadside campaigns to indoor branding installations, our prints are engineered for maximum visibility and durability.

### Applications:

- Billboards
- Banners
- Posters
- Campaign Displays
- Event Branding Materials

### Substrates:

- Vinyl
- Contra Vision (One-Way Vision)
- Wall Vinyl
- Reflective Vinyl
- Black & White PVC
- Mesh PVC
- Backlit PVC

## 2. Branding Solutions

We specialise in full-scale branding execution, transforming physical spaces and assets into powerful brand platforms.

**Whether permanent or campaign-based, we deliver bold, high-quality branding solutions across multiple environments.**

### Branding Applications:

- Billboards & Outdoor Media
- Building Wraps
- Street Poles & Street Furniture
- Fleet Vehicle Branding
- Retail & Shopping Centre Displays
- Office & Interior Branding
- Exhibition & Booth Displays
- Custom Structures & Installations
- Promotional & Merchandise Branding

**We turn surfaces into brand assets.**

## 3. Professional Finishing

We ensure every print is installation-ready, durable, and structurally reinforced for real-world application.

**Our finishing services enhance longevity, usability, and presentation quality.**

### Finishing Options:

- Eyelets (for secure mounting)
- Weldable Webbing (reinforced edges)
- Dragon Tails (added strength for large formats)
- U-Cuts (precision installation finishing)
